Script (introduction)

Hoy vamos a aprender Las Formas.

Today we are going to learn Shapes.

Vamos a empezar.

Let's begin.

Select three flashcards: el círculo, el óvalo, el triángulo.

Show the first flashcard and say:

El círculo

Circle.

Point to flashcard.

Repeat once or twice as needed.

Show the second flashcard and say:

El óvalo

Oval

Point to flashcard.

Repeat once or twice as needed.

Show the third flashcard and say:

El triángulo

Triangle

Point to flashcard.

Repeat once or twice as needed.

Enseñame el círculo

Show me circle.

At the beginning you may have to say: *Enseñame-Show me el círculo.*

Do so for a few days until the children get use to Enseñame.

The child should be able to point at the flashcard.

If not, point at it and repeat "el círculo".

Enseñame el óvalo

Show me oval.

The child should be able to point at the flashcard.

If not, point at it and repeat "el óvalo"

Enseñame el triángulo

Show me triangle.

The child should be able to point at the flashcard.

If not, point at it and repeat "el triángulo"

This is the first period of the Three-Period Lesson.

This is the second period of the Three-Period Lesson.

SAMPLE

Treehouse Languages

Be part of our journey!

Cuál es?

Which one is this?

Point to the "el círculo" flashcard.

The child should be able to answer "el círculo".

If not, point to the "el círculo" flashcard and repeat "el círculo"

Cuál es?

Which one is this?

Point to the "el óvalo" flashcard.

The child should be able to answer el "óvalo"

If not, point to the "el óvalo" flashcard and repeat "el óvalo"

Cuál es?

Which one is this?

Point to the "el triángulo" flashcard.

The child should be able to answer "el triángulo"

If not, point to the "el triángulo" flashcard and repeat "el triángulo"

Do a Three Period Lesson with the next flashcard.

Add one word at a time.

Keep adding words as you feel the child is ready to learn.

Shapes (review)

Vamos a repasar Las Formas.

Today we are going to review Shapes.

Vamos a empezar.

Let's begin.

Review the shapes you learned the previous lesson.

Show the first flashcard and say:

El círculo.

Show flashcard.

Repeat once or twice as needed.

Show the second flashcard and say:

El óvalo

Oval.

Show flashcard.

Repeat once or twice as needed.

And so on with all the flashcards introduced in the previous lesson.

Do a Three Period Lesson when needed.

SAMPLE

This is the third period
of a Three-Period Lesson.
